

New York City Subway

with airport and railroad connections

Key

The subway operates 24 hours a day, but not all lines operate at all times. Call our Travel Information Center at 511 for more information in English or Spanish (24 hours) or ask an agent for help in all other languages (6AM to 10PM).

visit www.mta.info

To show service more clearly, geography on this map has been modified.

This map shows weekday service. On weekends and late nights, these routes change:

Weekends

Late nights (midnight to 6am, daily)
